Lauren,

When Cold Stge. went to pull the cases to temper them, they are only able to locate two cases of 43900 (Blue), they do have the 6 cases of 43910 (It Men), so I am sending each customer 1 case of 43900 and 3 cases of 43910. Apparently Cold Stge. pulled the Party Zone product at some other time in error. Sorry for any inconvenience this may have caused, but I'm sending you everything we have available.
Ellen
